ABOUT 101 COPENHAGEN

101 Copenhagen is a Danish design brand founded in 2017 with a strong vision to create a world of beautiful lighting and accessories of exquisite craftsmanship, quality and timeless design for Scandinavian living. With a passion for materials and refined textures combined with our design aesthetic and an organic, calm color scheme, we are proud to present a collection filled with must-have novelties and timeless classics.

OUR CREATIVE DRIVE

The 101 Copenhagen carefully curates and design objects for Scandinavian living. The creative drive is centered in a fusion of the Scandinavian design tradition influenced by the timeless Japanese approach to material and techniques.

The objects designed reflects the symbioses of design traditions whilst also featuring unique embedded stories, symbols and associations expressed in a minimalist idiom. The design approach is notably holistic, the work process is dynamic and characterized by freedom of expression, which creates unique and timeless pieces.

BRUTUS

The Brutus collection is inspired by the architectural Brutalism movement of the mid-20th century. Each style is designed as a simplified block-like structure, which reminisces architectural building components of concrete. Brutus also refers to the Roman Empire, founders of classic architectural geometry. The Brutus collection features a dining chair, lounge chair and a coffee table all made in hand painted lightweight fiber concrete, which creates a unique surface texture and increases mobility. Designed by Kristian Sofus Hansen & Tommy Hyldahl

BOW

The Bow console is inspired by the architectural Brutalism movement of the mid-20th century. The design of the console draws parallels to the old aqueducts from the Roman Empire and classic architectural geometry. Repetition of arches are creating a beautiful silhouette combining architecture and design, creating a boxy and pure design classic. The Bow console is hand painted and made of lightweight fiber concrete, which creates a unique surface texture and increases mobility. Designed by Kristian Sofus Hansen & Tommy Hyldahl

PILLAR

Pillar is inspired by the rich lustrous use of material in the 1930 ´s Art Deco movement. The coffee table is characterized by the contrast between a paper-thin tabletop and voluminous base, embracing the material itself. The Pillar coffee tables are featured in a tall and a low version, made of plated metal in three colors; brass, burned black and zink which gives a sophisticated appearance and combined with the simple yet refined design makes a unique addition to your home. The curved exterior makes this table great for classic and contemporary interiors alike. Designed by Kristian Sofus Hansen & Tommy Hyldahl
